

Quality Living In Marine Parade

Cosy and comfortable, safe and secure for everyone

Our Town Renewal Programme aims to preserve the warmth and harmony within the Marine Parade community by providing new and upgraded amenities to enable residents to continue enjoying a comfortable lifestyle.

We will provide residents with lifts that stop at every floor, covered linkways to provide shelter, spacious resident's corners for interaction, exercise areas for better health, modern children's playgrounds for youthful energy and beautifully landscaped surroundings, all towards building a healthy, comfortable and active community.

Residents have been active partners in helping us decide on the improvements that will facilitate interaction, promote social cohesion and stronger community bonding. Residents have also taken ownership of these facilities - this is healthy and necessary as without the support of you residents, the hardware will count for nothing.

Let's continue to work together to preserve this strong community spirit and to enable all Marine Parade residents to always enjoy a happy, healthy and harmonious life.

我们的市镇更新计划，旨在以提供一系列崭新及更新的设施，让马林百列居民继续享有舒适的生活环境及保留马林百列社区的和谐与温馨。

为了建设一个健康与舒适的居住环境，新的设施包括在每一层楼增添电梯、兴建有盖走廊、居民休闲角落、有趣的儿童游乐设施、优美园林环境、运动场地等等。

我们的计划以居民为本。我们的居民一向来踊跃地参予市镇更新的策划。同时，我们的居民也已积极地培养对周边环境和设施的归属感。这是必要的，因为缺少居民的这份支持，我们所提供的市镇更新计划将毫无意义。

我们希望马林百列市镇的居民继续合作，保留社区的凝聚力，让居民们永远享有和谐、健康、快乐的生活。
