

" In our upgrading efforts, accessibility is key in enjoying one's environment. The creation of linkways and park connectors serves the purpose of improving mobility for all residents across all age groups. These will complement the public transport services such as rail and bus services. "

- Mr Andy Gan
MP for Marine Parade GRC

Our Home at Marine Parade ...

MUP at Blk 1 - 12 & 14 Jalan Batu (Completed in 2002)

Residents' Corner at Blk 45 Jalan Tiga (completed in 2005)

Residents' voice....

It will be good if there are more cosy corners for seniors to gather and spend time.

- Goh Wee Siang, 62 years old,
resident of Kampong Arang Road

My wish is to have more facilities for our youth, it will give them a better environment to get together with friends.

- Vasantha Pillay, 44 years old,
resident of Jalan Enam
